

The Tutorial will be between 30 & 37 numbered videos within separate download .zip files. If you purchase the Tutorial in a Pre-Publication Sale version, please note that the Table of Contents will change and the placement, numbering and titles of individual videos may change. Please check the ToC for the latest files. File 40 will always contain the most recent ToC. Files replaced since last ToC are starred\* *See below*

[Download Video FAQ](#)  
[More about the Lr3 Tutorial](#)

(Total Sizes: 6 GB?; 9 hrs 15 min?)

**File 1\*. Introduction - What is Lightroom?**
